[1](#)1. (C) On June 18, Econchief expressed the USG's serious concern about the continued operation of Iraqi insurgent television "Al Zawraa" on ArabSat to MFA Acting U/S Tariq Al-Haidan. Econchief stressed the need for immediate action to remove it from the air in Iraq. Econchief also underscored USG concern about continued broadcast of Hizballah-controlled Al-Manar TV on ArabSat. Al-Haidan expressed his agreement that Al-Zawraa needed to be taken off the air, adding that he had recommended to UAE Foreign Minister Sheikh Abdulla bin Zayed Al-Nahyan that the UAE pursue this goal. On Al-Manar he commented that the station "was different, but working in the same field."

[1](#)2. (C) Note: Although Al-Haidan did not discuss ArabSat's ownership structure in this conversation, he has previously noted that reaching consensus on removing Al-Zawraa would be challenging since the UAE has only a 4.66 percent interest in ArabSat. End Note.
